

Interpreter Preparation (IPP)

IPP 144 ASL Classifiers

3 Hours

Prerequisites: IPP 141

3 hours weekly (~~3~~)

This course will provide the opportunity for students to enhance their use of classifiers.

Classifiers, not used in the English language, are one of the most difficult parts of the American Sign Language for students to learn. Content

will be explored using g TJ -0.001 Tc 0.003 Tw -7.348 -1.315 Td [(h)2.3 (is)-1.3 (t)-3 (o)-6.6 (ry)6.3 (o)-6.7 (f)10.5

their proficiency in language use. The phonological rules of ASL and English will also be studied. A grade of "C" or higher in IPP 141 and 142 must be achieved to advance to second

ASL Linguistics, this course is also designed to reinforce the students' acquisition of language skills in ASL by providing the knowledge competency component. This course focuses on the morphology, syntax and use of ASL. A grade of "C" or higher in IPP 141 and 142 must be achieved to advance to the second year classes.

IPP 222 Interpreting ASL to English

4 Hours

Prerequisites: IPP 201

6 hours weekly (~~4~~)

This course explores the theory and skills necessary to interpret from an American Sign

This course will explore the concepts of register, processing time, and the interpretation process. Course materials will be sequenced from paraphrasing, translation, consecutive interpretation, and simultaneous interpretation. Emphasis will be placed on message equivalence and appropriate vocabulary choices. A grade of "C" or higher in IPP 141 and 142 must be achieved to advance to secondyear classes.

IPP 223 Introduction to Transliterating

3 Hours

Prerequisites: IPP 143, 211, 231
