

## Integrated Science (SCI)

### SCI 100 STEM Fundamentals

1 Hour

Prerequisites: None

2 hours weekly (1-0)

This course is designed to help STEM-oriented students in their transition to college. Students will learn about the resources and services available at John A. Logan College and other higher education institutions, as well as the expectations and challenges of being a STEM-oriented college student. They will also gain important skills that are required to achieve success in math- and science-based college coursework.
